OUR MISSION

Hunger comes in many forms. Our Neighbors' Table is committed to establishing a community that provides for the whole person with nourishing food, kindness and dignity.

A YEAR OF IMPACT

After a year of transformation in 2024 with the launch of the **Seacoast Regional Food Hub** and the Salisbury Market, we spent 2025 putting those tools to work for the people and communities we serve.

As a result, we made an unprecedented impact on the growing needs of our region.

WHAT DID THAT LOOK LIKE?

- Nearly **7,000 individuals served** by our grocery programs
- **2.5 million pounds** of foods being accessed by 13 agencies
- **Expanded partnerships** with companies like Amazon and other food distributors to increase the capture of surplus food

HOW DID WE ACCOMPLISH THIS?

- Nearly **27,000 volunteer hours**
- More than **350 Spoon Platoon donors** contributing $1,000 or more
- **Food drives, fundraisers and sponsorships** from across the region

SERVICE WITH DIGNITY

Our pioneering markets are open to every neighbor in our service area for shopping once per week and provide the staples of a healthy diet: milk, eggs, meats and fresh fruits and vegetables.

This successful model has allowed us to reduce stigma and expand access to weekly groceries for residents of 12 communities. With the additional access in Salisbury, **we served more individuals than ever before.**

INTEGRATED MARKETS

Our integrated markets in **Groveland, Merrimac and Salisbury** provide an additional layer of access to fresh, healthy food through partnerships with local Councils on Aging. In 2026, we will add a fourth market in **Georgetown**.

In total, these markets serviced **3,783 visits** and distributed **59,840 pounds of food**.

COMMUNITY MEAL

Our weekly meal started in 1992, serving 8 people that first night. This past year we distributed a record **19,653 meals** on Wednesday nights, reaching as many as 500 in a single week. With a focus on nutrition and community, the meal continues to be a staple for hundreds of neighbors every year.

In 2025, ONT distributed 900 turkeys and 1,200 whole chickens to fill every Thanksgiving table.

People's Pantry in North Andover signed on to the Hub and tripled their food supply, allowing them to expand and hire their first employee. "It's been a gamechanger," says pantry co-coordinator Jen Cordes.

RESPONDING TO CRISIS

In October, hundreds of neighbors were lost in the shuffle of a government shutdown that threatened to freeze vital SNAP funds that help thousands of neighbors pay their bills and keep food on the table.

The result was an unprecedented surge on our grocery services from anxious guests, peaking with a **50% spike in demand** (1,028 people) in the first week of November.

It showed us that when the food safety net frays and neighbors fall through the cracks, ONT and our community of support are here to catch them.

Donations surged. Volunteers lined up. Food drives spread. And together, every neighbors' table was full.

SUPPORTING SNAP

Our SNAP Advocate has never been more needed to help people apply, qualify for and maximize their allowance. Though the process took an average of 20 minutes longer per application due to new restrictions, we secured funds for 173 households — **a 94% success rate.**

DELIVERING FOR COMMUNITIES

In its first full year of operation, the **Seacoast Regional Food Hub** went to work for the Lower Merrimack Valley, providing vital storage and efficient access that allows them to distribute more food with better quality. The impact — more than **3 million pounds of food** went through the warehouse to ONT and our partners.

2025 HUB PARTNERS: Among Friends Meal Program, Cor Unum, Common Ground, Dracut Food Pantry, Emmaus Inc., First Parish Newbury Food Pantry, First Presbyterian Church, Lazarus House, Neighbors in Need, Nourishing the North Shore, People's Food Pantry, Pettengill House, and Sacred Hearts Bradford.

"I never thought I'd need help. But with SNAP and the market, I don't have to worry about food and I can buy gas for my car. It takes the stress of food away — that's huge."

- John, of West Newbury
